

As per Ontario Regulation 243/07, a Drinking Water Fixture (DWF) is:

- Any drinking water fountain, or
- Any tap that is used in the preparation of food or drink for children under 18 years of age, or
- Any tap used to provide water for consumption by children under 18 years of age.

You will find these signs placed at fixture locations throughout our schools:

## Non-drinking Water Fixtures

This sign has been placed at all identified non-drinking water fixtures (Non DWF)

## Drinking Water Fixtures

This sign will be placed at all drinking water fixtures that have been sampled. The sign will identify if there has been a standing or flushed lead exceedance.
